Sure. I'm available now-4pm. Let me know what works.

I didn't plan to participate in the meeting you linked to because I thought it was to facilitate communication between the utility and the villages. We can discuss on the call.

Thanks,

Emmanuelle

Hi Emmanuelle,

Are you available this afternoon to discuss the outcomes of the EPA Enforcement/Hopi meeting a couple of weeks back. We are also curious as to whether or not you were planning to participate in the meeting denoted in the attached agenda. Please let us know and we'll set up a conference line.
